

Blueberry Sangria

ingredients

- | | |
|--------------------------|-----------------------------|
| 2 cups fresh blueberries | 1 cup orange juice |
| 1 orange thinly sliced | Ice |
| 1 lime sliced | Chilled carbonated water or |
| 1 lemon sliced | Lemon-lime soda for serving |
| 1 cup brandy | Fresh mint to garnish |
| 1 bottle Royal Blue | |

instructions

- Add the fresh blueberries, orange, lime, and lemon slices to a large pitcher. Add the brandy (or whiskey) and orange juice and gently muddle to extract the flavors of the fruit into the juice and alcohol.
- Pour the Royal Blue into the pitcher and stir to combine. Cover and refrigerate for 30 minutes.
- When ready to serve, fill a glass with ice and fill three-fourths of the way full with sangria. Top off each glass with bubbly water or lemon-lime soda. Garnish with additional blueberries and fresh mint, if desired.
